History

Our MD, the first generation entrepreneur Shri Vikas Garg Ji had a very humble inception in 1996 with the manufacturing of house wiring cables, the simplest product of wires & cable industry. Good quality, optimal pricing & consistently timely deliveries helped us in winning trust of buyers. We established and thus the demand for our products increased multi fold. We established our factory at SIDCUL Haridwar in 2006 and named it Asian Wires & Cables Industries. We enhanced our product range by adding LT PVC & XLPE cables in 2009. In 2012 we put up a new plant & added Aerial Bunched Cables to our product range. In 2014 this company got incorporated as Asian Galaxy Pvt Ltd. In 2017, we further added another factory to manufacture HT cables up till 33kV.

In April 2021, we launched our IPO & became a public limited company. In spite of the low sentiments in the pandemic stricken market our IPO had an overwhelming response and the issue was successfully subscribed.

Now, in the year 2022, we are in the process of setting up the new plant and also to introduce a new product line of higher voltage upto & including 110KV

UFFR MULTISTRAND CABLES

01

Ultra Flexible Flame Retardant Cables Upto 1100 V
Insulation : PVC : FR 70°C
Range : 1.00 to 6.00 sq. mm
Conductor : Pure Electrolytic Grade Annealed Bare
Copper with more than 100% Conductivity.
Specifications : IS-694:2010 C1 Category, IS-8130 & IS-5831

FR MULTISTRAND CABLES

02

Flame Retardant Cables upto 1100 Volts
Insulation : PVC : FR 70°C
Range : 0.50 to 400 sq. mm
Conductor : Pure Electrolytic Grade Annealed Bare Copper with more than 100% Conductivity.
Specifications : IS-694:2010 C1 Category, IS-8130 & IS-5831

* No over Heating or Melting.

FRLS MULTISTRAND CABLES

03

Flame Retardant Low Smoke Cables Upto 1100 V
*Special Flame Retardant Low Smoke With Reduced Halogen. *Higher Current Rating.
*Higher Temperature Rating. Insulation : PVC : LF + FR-LSH 70°C Range : 1.00 to 6.00 sq. mm
Conductor : Pure Electrolytic Grade Annealed Bare Copper with more than 100% Conductivity.
Specifications : IS-694:2010 C1 Category, IS-8130 & IS-5831

ZHFR MULTISTRAND CABLES

04

Zero Halogen Free Flame Retardant Cables upto 1100 V
* Does Not Catch Flames, Does Not Propagate Fire.
* Non Toxic, Non-Corrosive.
Insulation : ZHFR (Zero Halogen Flame Retardant)
Range : 1.00 to 6.00 Sq.mm
Conductor : Pure Electrolytic Grade Annealed Bare Copper with more than 100% Conductivity.
Specifications : IS 694, IEC 60332-1 & 3, IEC 60754-1 & 2, IS 8130.

XLPE/PVC 3 CORE FLAT Cables

05

Long life even in Rugged Condition.
Insulation : PVC/XLPE
Range : Upto 95.00 Sq. mm.
Conductor : EC Grade Flexible Copper Conductor.
Sheath : PVC ST 1/HR ST 2.
Specifications : IS 694 & Generally as per IS 7098 (P-1)

PVR ROUND FLEXIBLE & CONTROL Cables

06

Insulation : PVC/FR PVC/HR PVC
Range : Single Core upto 630 Sq. mm, 4 Core upto 300 Sq. mm, 61 Core upto 2.50 Sq. mm.
Conductor : EC Grade Solid, Standard & Flexible Copper Conductor.
Voltage Grade : 450 / 750 / 1100V
Specifications : IS 694, IS 1554(P-1), IS 8130 & IS 5831

LT / HT POWER Cables

07

- * Higher Rating of Current and short circuits.
 - * Thermosetting nature
 - * Insulation resistance is 100 times more than PVC cables
 - * High moisture resistance
- Range : LT Single Core (Upto 1000 Sq. mm)
LT Multicore (Upto 630 Sq. mm)
HT Single & Multicore (Upto 1000 Sq. mm)
Specification : IS-1554(P-1), 7098 (P-1), 7098 (P-2)

LT / HT XLPE AERIAL BUNCHED Cables

08

- Insulation : XLPE (Cross Linked Polyethylene)
PE (Polyethylene)
Range : Upto 185 Sq.mm Bare / Insulated Messenger.
Conductor : EC Grade Aluminium Conductor.
All Aluminum Alloy Messenger Conductor
Specifications : IS-14255, IS-8130, IS-398 (P-IV)

CCTV CABLES

09

- * High Quality & Reliable Transmission of Voice, Video & Data.
 - * Highly Shock Proof & Durable.
- Range : CCTV3 +1, CCTV4+1
Conductor : Flexible Bare Copper

LAN Cables

10

CAT 5e & CAT 6 Data Cables
* Low Attenuation
Conductor : Solid Annealed Bare Copper.
Specification : EN-50173, IEC-11801 & TIA/EIA 568 B-2.

COAXIAL Cables

11

* High Quality Co-Axial Cable for TV Network.
* Low Attenuation Value. * Low Loss in Signal Quality
* High Band Width * Long Life
Range : RG-6, RG-11, RG-59.
Conductor : Solid Annealed Bare Copper.

DC SOLAR Cables

12

Conforming to IS-694, IS-8130 & IS-5831
Conductor : EC Grade Annealed Tinned Copper Conductor
as per Class - 5 of IS-8130
Insulation : PVC Type - C (HR) as per IS-5831/1984
Sheath : UV Grade PVC SF-2 as per IS-5831/1984
Range : From 2.50 Sq. mm to 10.00 Sq. mm

MESSAGE FROM THE DESK OF THE MANAGING DIRECTOR

Dear Shareholders

Challenges are an inevitable part of business. It is how we respond to them that makes the difference. For V-Marc India Limited challenges are not something new. We are witnessing change at an unprecedented speed and scale as well as complexity all around us. As the push towards a more connected world gets stronger, new opportunities for growth and innovation are opening up, and bringing in their new challenge.

FY 2021-22 has been a challenging year. The Indian economy, that was already passing through a rough phase due to liquidity crisis, high oil prices and weak consumer sentiments, Covid – 19 pandemic second wave was faced with another bigger challenge. It has triggered an unprecedented social and economic crisis whose impact will linger for some time as the global economy faces an eminent recession. Despite this, it is fascinating to witness how the world has united to fight this crisis resiliently while quickly adopting to the new normal. It gives us hope that human race shall prevail as done in many such crises across history. One thing is for sure that the post pandemic world will never be the same again. While there will be multitude to changes, digitalization is an area that will witness accelerated adoption.

The COVID-19 pandemic occasioned a rethink at V-Marc. Realising the immense potential of our brand, we reaffirmed our commitment to unlock greater value for our stakeholders. This led to the formulation of our growth strategy, a multi-year transformation drive under Project Leap, which is aimed at building resilience and fuelling V-Marc's growth. Walking on this set roadmap, we will not only strengthen our leadership in the B2B space, but also transition to a leading B2C player and secure our place among the top Ten players in the Fast-Moving Electrical Goods (FMEG) segment in the country.

Year Under Review

During the year, we achieved the milestone of Rs. 181.00 Crores top line despite challenges from various fronts. Our Wires & Cable business witnessed robust growth that resulted from our strong emphasis on execution and on reinforcing our core strengths by investing in expanding the distribution network. The year saw surging input costs and supply side constraints. But we mitigated the situation through regulated pricing actions, improved product mix and cost optimisation initiatives. Our efforts at widening our distribution network are bringing tangible gains. So are our measures to improve the brand architecture and augmenting the influencer management programme.

A core strategy has been in implementation to focus on growing our retail segment while gradually reducing the contribution of EPC projects to the overall sales mix. This strategy is being adopted as the retail segment offers superior growth prospects with better margins and lower working capital requirements. We remain committed to aggressively pursuing this strategy to build a stronger and more sustainable business that creates lasting value for all our stakeholders.

Strategy for the future

The future is a connected world. It has immense potential for development and alleviating the challenges of traditional world. We have already witnessed its game changing power in the times of COVID-19 when the world was restricted to homes. In line with this, your Company will continue to retain its focus on connectivity cables i.e., telecom, and power cables. Orders in these segments largely originate from government tenders and PSU organizations. Our strong relationships, focus on quality, prequalification criteria and cost competitiveness will enable us to capitalize on the opportunity. We are increasingly witnessing a scenario where China is losing its place as the manufacturer to the world after the pandemic incident. This presents a significant opportunity for Indian companies like us to step up and target the export markets. Another important focus for us will be to diversify our customer base from existing institutional customers. We have already strengthened retail focus in select micro markets to develop a strong dealer and distributor network for House Wires and Power Cables. This will help us to enhance granularity in revenue sources thus reducing dependence on single large account.

As you all know that company has already announced the setup of new plant for the capacity enhancement and more particularly for installing the CCV Line which is a dry curing method machine. Once this new project comes under commercial production your company will be able to produce the higher rating HT cables like 33 KVA and 66 KVA. Your company would be able to participate in almost all the tender floated by all the state Government Electricity Board as well as all the central government PSU like NTPC, NHPC, .

Outlook

Our goal is to achieve 50% of revenue from the retail segment in the next 2-3 years by growing it at 30-35% per annum. In line with this objective, we are strengthening the business enablers including mapping our retailers, expanding our distribution network, and enhancing our brand connect. Moreover, we have recruited additional marketing people on a Pan-India basis to enable the retail segment to take a more prominent role in our Company. These marketing resources have significant experience in the electrical and Fast-Moving Electrical Goods (FMEG) categories. As we seek to enter the FMEG sector once our retail segment reaches a certain scale, this in-house talent will prove valuable in this regard.

Our well-spread distribution network has been our driving force in reaching out to different parts of the country. We have set an ambitious target of growing our distribution network to 1,00,000 retail touchpoints by connecting with 500 distributors each reaching out to around 200 retailers. Our continued investments in brand building and channel partner engagement will help us augment our market reach and connect. Government's continued strong focus on infrastructure development, rural electrification and affordable housing also augur well for the wires and cables industry. Moreover, rapidly growing urbanization, increasing disposable incomes and changing preferences are driving the adoption of consumer electrical goods among Indian households.

Our concerted drive across several aspects, be it product innovation, supply chain integration, cost optimisation and others have strengthened our market position across businesses. Although the economic environment remains fraught, given the recent challenges caused by the pandemic, the long-term growth opportunities remain favourable for us. Rising incomes and changes in customer behaviour have resulted in growing customer preference for sustainable products and brands that guarantee quality. This has contributed to the expansion of organised players like us. For us, growth has never been about numbers.

As a responsible corporate leader, we have remained aware of our social responsibilities and have delivered on them by creating opportunities for the socially disadvantaged. We will continue to promote this social objective while endeavouring to deliver value to our other stakeholders by growing responsibly.

A robust cash generation ability and a strong balance sheet have sustained us through the business cycles. I hope our growth strategy, encapsulated in Project Leap, will help us realise our long-term aspirations. We continue to focus on Environment Social and Governance (ESG) priorities. The efficient use of water and energy from cleaner sources and zero tolerance for fatalities at our facilities continue to be our primary focus areas.

Looking ahead I would like to thank all our stakeholders, including customers, investors, business partners, and employees, for their continued trust and support. We look forward to another year of triumphant performance, supported by our unrelenting pursuit of excellence.

MANAGEMENT DISCUSSION & ANALYSIS

Cables & Wire has a strong growth potential, given lower per capita consumption in India than global counterparts. Key end-user segments include real estate, construction, power, consumer electricals and agriculture. The government thrust to invest in infrastructure and focus on renewable energy and advancement in telecommunication technology all augur well for a sustained strong growth rate in the long term. The sector revenue growth rate has a high correlation with gross fixed capital formation nominal at about 0.8x on a three-year rolling average basis.

The prospects of the Wire and Cable industry are interlinked with the other industries viz: Power, Telecom, Railways, Real estate, Steel, Cement, Refineries, Infrastructure etc. With investments across different infrastructure segments in the background of government initiatives, the demand for cables is expected to increase considerably. With the growth of other related industries, the Indian Wire and Cable industry is indeed bound to grow & prosper.

COMPANY OVERVIEW

V-Marc India Limited (V-Marc) is a specialised Control & Instrumentation cable company offering wide range of cable products to multiple industries. V-Marc has over 2 decades of rich experience and enjoys a strong brand image in the B2B segment. V-Marc designs, develops and manufactures a varied range of Power, Control, Instrumentation, Thermocouple Extension / Compensating and Communication cables. The company's manufacturing plants are located in Uttarakhand at 2 locations.

V-Marc is in the business of providing cost-effective and quality solutions for various electrical connectivity requirements. V-Marc has carved a niche in manufacturing of customised cables as per the customers' specifications. Investments in infrastructure and various industries will prove to be a big positive for the company. V-Marc continuously strives to achieve higher efficiencies, cost control, better preventive maintenance and focuses on improving its product mix to attain economies of scale.

COVID-19 IMPACT

COVID-19 Pandemic has disrupted businesses around the world. This the most difficult economic challenge faced by economies in recent history. In responding to this crisis, company's primary objective is to ensure the safety of our employees, to deliver client commitments, and put in place mechanisms to protect the financial well-being of the Company and protect its long-term prospects.

Company has implemented strict guidelines and undertaken necessary precautionary measures for social distancing, limited manpower, staggered working, work from home, regular screening and sanitisation and necessary guidance and advisory for providing a safe working environment to all employees.

OPPORTUNITIES AND THREATS

Wire is a piece of metal that is used to carry electric current on the other hand, cable contain a number of wires inside a plastic or rubber which is used to carry electric signals. Copper, aluminium, plastics and alloys are the materials which are used to make these wires and cables. They are widely used in industries like defence and gas, oil, automotive etc. These days, due to increasing residences and houses in developing countries, there is an increase in the use of the wires and cables.

The domestic cables and wires industry has registered robust growth over the last five years led by the government's focus on providing power to all and gradual pickup from the housing market. The wire and cables market in India has the potential to grow by USD 1.65 billion during 2021-2025, and the market's growth momentum will accelerate at a CAGR of 3.80%. The development of infrastructural projects by the government and investment is driving the growth of the wire and cable market in India.

The market is expected to be driven by factors such as the growth in renewable power generation in India, the expansion and revamping of Transmission & Distribution infrastructure in India, and increasing investments in metro railways. Increased investments in smart grid projects and up-gradation of power transmission and distribution systems are also estimated to propel the demand for wires & cables globally. Significant investments in smart grid technology have resulted in an increasing need for grid interconnections. Additionally, rising investments in underground cables and the growth of renewable energy are set to escalate the adoption of wires and cables. Wire and cables demand is directly dependent on the growth of the manufacturing industry and infrastructure in the power, telecommunications, residential and commercial sectors. Thus the government's initiatives on various fronts like – power, housing, infrastructure and digitization are sure to generate a lot of business for the wire and cable industry in the foreseeable future. Likewise, with the government's emphasis on pushing renewable energy to the forefront, the industry is now looking forward to supplying cables for solar and wind power applications in addition to oil and gas, railways and other specialized segments. Wires and cables are deployed across an extensive range of applications which include consumer electronics, utilities, material handling, automotive, and entertainment/leisure amongst others. Growing inclination toward the expansion of prevailing grid networks coupled with lack of efficient electric infrastructure will propel the industry outlook over the forecast timeline.

RISKS AND CONCERNS

Finance Cost Risk: Finance Cost risk arises due to payment of high rate of interest & charges on term loans and other funds & non-fund-based facilities being availed by the company from banks and other financial institutions. The company tries to minimize this risk by keeping a check on the

interest rates & charges charged by various banks & financial institutions and by swapping its long term/short term loans with banks/ FIs charging lesser interest rates and other charges.

Liquidity Risk: Liquidity risk is the risk that the company may be unable to meet short term financial demands. This usually occurs due to the inability to convert a security or hard asset to cash without a loss of capital or income in the process. The company manages the liquidity risk by ensuring the availability of adequate funds at all times to meet its liability obligations on before the due dates.

Raw Material Availability and Price Fluctuations: Scarce availability and price-volatility in Company's Basic Raw Materials - Copper, Aluminium, Steel, and PVC etc. can severely impact the profits of the Company. To mitigate these risks, the Company inculcates MOUs with its suppliers, price escalation clauses for large orders and hedges these raw-materials on the commodity exchange.

Foreign Exchange Risk: Foreign exchange risk is a financial risk posed by an exposure to unanticipated changes in the exchange rate between two currencies. Company may import a part of its raw materials, spare parts etc. and is also engaged in export of its products. To mitigate this risk, the company resorts to forward booking where deemed appropriate.

Human Resource Risk: In the absence of quality human resources, the company may not be able to execute its growth plans. To mitigate this risk, the company places due importance to its human capital assets and invests in building and nurturing a strong talented pool to gain strategic edge and achieve operational excellence in all its goals.

NOMINATION AND REMUNERATION OF THE KEY MANAGERIAL PERSONNEL (OTHER THAN MANAGING/ WHOLE-TIME DIRECTORS), KEY-EXECUTIVES AND SENIOR MANAGEMENT

The executive management of a company is responsible for the day to day management of a company. The Companies Act, 2013 has used the term “key managerial personnel” to define the executive management.

The KMPs are the point of first contact between the company and its stakeholders. While the Board of Directors are responsible for providing the oversight, it is the key managerial personnel and the senior management who are responsible for not just laying down the strategies as well as its implementation.

The Companies Act, 2013 has for the first time recognized the concept of Key Managerial Personnel. As per section 2(51) “key managerial personnel”, in relation to a company, means—

- i) the Chief Executive Officer or the managing director or the manager;
- ii) the whole-time director;
- iii) the Chief Financial Officer;
- iv) the company secretary;
- v) such other officer, not more than one level below the directors who is in whole-time employment, designated as key managerial personnel by the Board and
- vi) such other officer as may be prescribed.

Among the KMPs, the remuneration of the CEO or the Managing Director and the Wholetime Director(s), shall be governed by the Section on REMUNERATION OF THE DIRECTORS of this Policy dealing with “Remuneration of Managing Director and Wholetime- Director”.

Apart from the directors, the remuneration of

- All the Other KMPs such as the company secretary or any other officer that may be prescribed under the statute from time to time; and
- “Senior Management” of the Company which here means, the core management team comprising of such members of management as determined by the Company under Layer 1 of the System-Driven Disclosures in respect of Regulation 7(2) (b) of PIT Regulations,

shall be determined by the Human Resources Department of the Company in consultation with the Managing Director and/ or the Wholetime Director Finance.

The remuneration determined for all the above said senior personnel shall be in line with the Company’s philosophy to provide fair compensation to key - executive officers based on their performance and contribution to the Company and to provide incentives that attract and retain key executives, in still a long-term commitment to the Company, and develop a pride and sense of Company ownership, all in a manner consistent with shareholder interests.

The break-up of the pay scale and quantum of perquisites including, employer’s contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided by the Company’s HR department.

Decisions on Annual Increments of the Senior Personnel shall be decided by the Human Resources Department in consultation with the Managing Director and/ or the Whole time Director Finance of the Company.

REMUNERATION OF OTHER EMPLOYEES

Apart from the Directors, KMPs and Senior Management, the remuneration for rest of the employees is determined on the basis of the role and position of the individual employee, including professional experience, responsibility, job complexity and local market conditions.

The Company considers it essential to incentivize the workforce to ensure adequate and reasonable compensation to the staff. The Human Resources Department shall ensure that the level of remuneration motivates and rewards high performers who perform according to set expectations for the individual in question.

The various remuneration components, basic salary, allowances, perquisites etc. may be combined to ensure an appropriate and balanced remuneration package.

The annual increments to the remuneration paid to the employees shall be determined based on the annual appraisal carried out by the HODs of various departments.

Decisions on Annual Increments shall be made on the basis of this annual appraisal.

GENERAL

This Policy shall apply to all future employment of Company's Senior Management including Key Managerial Personnel and Board of Directors.

Any or all the provisions of this Policy would be subject to the revision/ amendment in the Companies Act, 2013, related rules and regulations, guidelines and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on the subject as may be notified from time to time. Any such amendment shall automatically have the effect of amending this Policy without the need of any approval by the Nomination and Remuneration Committee and/ or the Board of Directors.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

OPINION

We have audited the financial statements of V-MARC INDIA LIMITED ("the Company"), which comprise the balance sheet as at 31st MARCH 2022, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the period ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit/loss, changes in equity and its cash flows for the period ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

INFORMATION OTHER THAN FINANCIAL STATEMENTS AND AUDITOR REPORTS THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included Report of the Directors and the following Annexures thereto (namely Management Discussion and Analysis, Report on Corporate Governance, Annual Report on Corporate Social Responsibility Activities, Form AOC - 1, Conservation of energy, Technology Absorption and Exchange Earnings and Outgo), but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other

irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2 As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

"ANNEXURE B" TO THE INDEPENDENT AUDITORS' REPORT
REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013("THE ACT")

We have audited the internal financial controls over financial reporting of V MARC INDIA LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over the financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorities of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of the internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of the changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 1

NOTES FORMING PART OF THE BALANCE SHEET AS ON 31.03.2022 AND PROFIT & LOSS ACCOUNT FOR THE YEAR ENDING 31.03.2022

Significant Accounting Policies and Notes to accounts

Corporate Information

The Company was incorporated on **March 4th, 2014**. The Company is engaged in the Manufacturing of PVC Insulated Wires & Cables.

Significant Accounting Policies

SIGNIFICANT ACCOUNTING POLICIES

1. Use of Estimates

The preparation of Summary Financial Information in conformity with GAAP requires that the management of the Company to make estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities, and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of property, plant, and equipment and intangible assets, provision for doubtful debts/ advances, future obligations in respect of retirement benefit plans, etc. The difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

2. Accounting Assumptions: -

(i) Going Concern: -

The enterprise is normally viewed as a going concern, that is, as continuing in operation for the foreseeable future. It is assumed that the enterprise has neither the intention nor the necessity of liquidation or of curtailing materially the scale of the operations.

(ii) Consistency: -

It is assumed that accounting policies are consistent from one period to another.

(iii) Accrual: -

Revenues and costs are accrued, that is, recognized as they are earned or incurred (and not as money is received or paid) and recorded in the financial statements of the periods to which they relate. (The considerations affecting the process of matching costs with revenues under the accrual assumption are not dealt with in this statement.)

3. Valuation of inventories

The stock of Finished goods are valued at a lower of Cost of material consumed plus manufacturing expenses incidental thereto or market value. Scrap is valued lower at cost or market value.

V -MARC INDIA LIMITED
(CIN-L31908UR2014PLC001066)

4. Cash Flow Statements

Cash flows are reported using the indirect method as set out in accounting standard -3 on the cash flow statement issued by the Institute of Chartered Accountants of India.

5. Depreciation and amortization

The depreciable amount for assets is the cost of an asset or other amount substituted for cost, less its estimated residual value. Depreciation on tangible fixed assets has been provided on the Written Down Value (WDV) method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

6. Revenue Recognition

- Revenue is recognized to the extent it is possible that economic benefits will flow to the company and the revenue can be reliably measured and there is reasonable certainty regarding ultimate collection.
- Revenue from the sale of materials/ products is recognized on a transfer of all significant risks and rewards of ownership of the goods to the customers, which generally coincides with the dispatch of goods. Sales are stated exclusive of Goods & Service Tax and netted of trade discounts, and sales returns.
- Interest income is recognized on a time proportionate basis taking into account the amount outstanding and the rate applicable.
- Revenue in respect of other income is recognized when no significant uncertainty as to its determination or realization exists.

7. Property, Plant and Equipment

Property, plant, and equipment are stated at cost less accumulated depreciation and accumulated impairment (if any). The cost of a property, plant, and equipment comprises its purchase price and any attributable to the cost of bringing the asset to its working condition for its intended use. Expenditure on addition, improvements and renewals are capitalized and expenditure for maintenance and repair is charged to Profit and Loss account.

8. Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit after tax for the year attributable to Equity Shareholders of the Company by the weighted average number of Equity Shares outstanding at the end of the year. Diluted earnings per share is calculated by dividing net profit attributable to equity shareholders (after adjustment for diluted earnings) by average number of weighted equity share outstanding at the end of the year.

V -MARC INDIA LIMITED
(CIN-L31908UR2014PLC001066)

9. Taxes on Income

Tax expenses comprise of current and deferred tax

Current tax is measured at the amount expected to be paid on the basis of relief and deductions available in accordance with the provisions of Indian Income Tax Act, 1961 and includes Minimum Alternate Tax ("MAT") paid by the company on book profits in accordance with the provisions of the Income Tax Act, 1961. MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period and will be able to set off such MAT credit entitlement.

Deferred income tax reflects the impact of the current year's reversible timing differences between the taxable income and accounting income for the Year and the reversal of timing differences of the earlier Year. Deferred tax is measured based on the tax rates and tax laws enacted or substantively enacted as at the balance sheet date. Deferred tax assets are recognised only to the extent there is virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

In FY 2019-20 and onwards, in pursuant to section 115BAA of the Income Tax Act, 1961 announced by the Government of India through the Taxation Law (Amendment) Bill, 2019, the company has an irrevocable option of shifting to lower tax rates along with the consequent reduction in certain tax incentives including lapse of accumulated MAT Credit.

10. Impairment of Assets:

An Asset is considered as impaired in accordance with AS -28 "Impairment of Assets" when at the balance sheet date there are indications of impairment and the carrying amount of the asset, or where applicable the cash-generating unit to which the assets belong, exceeds its recoverable amount (i.e., the higher of the assets net selling price and value in use). In assessing the value in use, the estimated future cash flows expected from the continuing use of the asset and from its ultimate disposal are discounted to their present values using a predetermined discount rate. The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the profit and loss account.

11. Provision of Contingent Liabilities

Contingent Liabilities as defined in AS 29 on "Provision, Contingent Liabilities and Contingent Assets" are disclosed here. Provision is made if it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as a contingent liability.

Provisions are recognized when the Company has a present obligation as a result of past events and it is more likely that an outflow of resources will be required to settle the obligations and the amount has been reliably estimated. Such provisions are not discounted to their present value and are determined based on the management's estimation of the obligation required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect management's current estimates.

V -MARC INDIA LIMITED
(CIN-L31908UR2014PLC001066)

Contingent liabilities

A disclosure for a contingent liability is made where it is more likely than not that a present obligation or possible obligation may result in or involve an outflow of resources. When no present or possible obligation exists and the possibility of an outflow of resources is remote, no disclosure is made.

Contingent assets

Contingent assets are neither recorded nor disclosed in the financial statements.

12. Retirement Benefits to Employees

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus etc. are recognized in the Statement of Profit and Loss in the period in which the employee renders the related service.

Long term employee benefits

i) Defined contribution plan:

Provident fund and employees' state insurance schemes:

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate (presently 12%) of the employees' basic salary (subject to a maximum basic salary, as per the provisions of The Employees Provident Fund & Miscellaneous Provisions Act, 1952). These contributions are made to the fund administered and managed by the Government of India. In addition, some employees of the Company are covered under the employees' state insurance scheme, which is also a defined contribution scheme recognized and administered by the Government of India.

The Company's contributions to both these schemes are expensed off in the Statement of Profit and Loss. The Company has no further obligations under these plans beyond its monthly contributions.

V -MARC INDIA LIMITED
(CIN-L31908UR2014PLC001066)

ii) Defined benefit plan:

a) Gratuity:

The company pays gratuity as per Gratuity Act and hence the company has started to create provisions in Books of Accounts for payment of Gratuity as per Actuarial Valuation report.

b) Leave Encashment:

As per company Policy, Leave Encashment is paid to employee at the of Retirement/Leaving from Organization. In current year company has created provision on the basis of Actuarial Valuation Report.

13. Government Grant

Government Grants are recognized when there is a reasonable assurance that the same will be received. Revenue grants are recognized in the Statement of Profit and Loss. Capital grants relating to specific fixed assets are reduced from the gross value of the respective Fixed Assets. Other capital grants are credited to Capital Reserve.

14. Borrowing Cost

Borrowing costs are determined in accordance with the provisions of Accounting Standard – 16. Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for the intended use. All other borrowing costs are charged to revenue.

15. Current Assets, Loans and advances

The balance under item of Sundry Debtors, Loans and Advances, and Current liabilities are subject to confirmation and reconciliation and consequential adjustments, wherever applicable. However, in the opinion of the Management, the realizable value of the current assets, loans, and advances in the ordinary course of business will not be less than the value at which they are stated in the balance sheet. In the opinion of the board of directors, the current assets, loans, and advances are approximate of the same value if realized in the ordinary courses of business and the provision for all known liabilities is adequately made and not in excess of the amount reasonably consider necessary.
